

Title: Selection for Admission to Procedure 7.24P

Limited Access Programs

General Authority: FS 1001.64

Law Implemented: FS 1001.65, 1007.263

Effective Date: November 8, 2021

Rule 7.24 authorizes the President to adopt a written procedure identifying limited access programs and providing procedural guidelines.

Per the Florida Department of Education's glossary, a Limited Access Program is one in which "student enrollment is limited due to space, equipment, faculty limitations, or other limitations." Given this definition, the following academic programs (including bridge programs) are authorized to establish a system of limited access admission:

- Career and Technical Certificates in Certified Nursing Assisting, Dental Assisting, Emergency Medical Technician, Law Enforcement Basic Recruit, Licensed Practical Nursing, Paramedic, Phlebotomy, and Surgical Technology;
- College Credit Certificate in Sterile Processing Technology
- Advanced technical certificates in Computed Tomography and Polysomnography;
- Associate of Science degrees in Cardiovascular Sonography, Dental Hygiene, Diagnostic Medical Sonography, Emergency Medical Services, Invasive Cardiovascular Technology, Nuclear Medicine Technology, Nursing, Physical Therapist Assistant, Radiography, Respiratory Therapy, and Zoo Animal Technology;
- Baccalaureate degrees in Clinical Laboratory Science and Nursing.

<u>Criteria</u>: Each limited access program may select students for admission from the respective pools of applicants by providing points or other credit which may include, but not be limited to, any combination of the following criteria:

- A. Overall academic record in high school and/or college.
- B. Completion and academic record in specific courses designated by the program area.
- C. Work experience, related to field or not related to field, as specified by program.
- D. Volunteer community service.

- E. Standardized placement test scores and/or specialized pre-admission assessment testing.
- F. High school graduate or High School Equivalency Diploma (GED test).
- G. Veteran status and/or current military service.
- H. Letter of intent.
- I. Possession of a current occupational certificate orlicense in a related field.
