

Santa Fe College Rules Manual

Title: College Catalog

Rule 4.1

General Authority: FS 1001.64, 1007.24(8)

Law Implemented: FS 1001.64(6); 6A-10.0331, FAC

Effective Date: July 16, 1987

Purpose: To state the procedures relating to the College catalog.

The President shall delegate to appropriate College personnel the responsibility for producing the College catalog on an annual basis.

The President shall annually certify to the Board that the College has complied with State Board of Education regulations which require that any course which has not been taught for five years be deleted from the catalog, and that the College notify the Florida Department of Education Statewide Course Numbering System to delete these courses. However, a course may be continued in the next catalog if the College plans to offer it during the period of time for which the catalog is in effect.
