

# I'VE BEEN SEXUALLY ASSAULTED... WHAT CAN I DO?

**You have options. The resources below are available to anyone who has experienced any kind of sexual assault, domestic violence, dating violence or stalking.**

## I NEED MEDICAL ATTENTION OR AM UNSURE ABOUT MEDICAL OPTIONS

IF THE ASSAULT  
HAPPENED WITHIN  
THE LAST FIVE DAYS:

You can go to UF Health Shands Hospital Emergency Room to receive a free, confidential medical exam and to have evidence collected as part of a forensic evidence kit (sometimes referred to as a rape kit). This is available to you regardless of whether or not you choose to report to law enforcement.

IF MORE THAN FIVE  
DAYS HAVE PASSED:

If more than five days have passed, or if you are not interested in having evidence preserved, you can also receive post sexual assault medical treatment, as well as STI and pregnancy testing from the following:

- 1) the Alachua County Health Department for low or no cost at 352-334-7900;
- 2) pregnancy testing and up to six months of STI monitoring from the Santa Fe College Student Health Care Center for no cost Monday - Friday, 8:30 a.m. - 4:30 p.m. at 352-381-3777; or
- 3) your primary care doctor.

## FIRST, I NEED TO TALK TO SOMEONE ABOUT THIS CONFIDENTIALLY

IN THE COMMUNITY:
