

A petition to adjust record **must be made within one year following the end of the semester in which the courses were taken**. Petitions **will not be considered** for courses within a completed program of study from which the student has graduated, or for courses for which a grade of C or higher is earned. For more information, please see Florida Administrative Code 6A-14.0541 and SF Board Rule 7.11.

To request an adjustment to your record, the following documentation must be submitted:

1. **Petition Form**

- Make sure to answer **all** the YES or NO questions about receiving support from High School Dual Enrollment, International Student Services, Financial Aid and/or Veterans and Military Success Services. For every YES, you will need to obtain the signature of an official from that department. Submissions lacking a selection and/or signature will not be forwarded for committee review.

2. **Typed student statement (1 page)**

- Explain your situation, including enough detail to describe the extraordinary nature of the hardship.
- If seeking to drop from only part of your class schedule, be sure to explain the reason for the selectivity.

2. **Unofficial transcript**

3. **Supporting documentation to verify hardship described on statement** - examples may include:

- Medical - letter from a physician on official letterhead, dated and signed. The letter must indicate the severity, dates, duration, and academic impact of the condition and recovery period. If the medical situation relates to an immediate family member, you must provide proof of family relationship and medical documentation to verify your role as a *caretaker* for the family member.
- Death of **immediate** family member (parent or legal guardian, spouse, child or sibling) – copy of death certificate, funeral program, or obituary. In addition, it is the student's responsibility to establish the immediate family relationship to the deceased individual (birth certificate and/or marriage license).
- Military – Copy of military orders relevant to term.
- Court documents, letter from employer or work schedule.
- Professor or departmental feedback is recommended. Feedback should include attendance information, academic performance, and any other relevant information helpful to the committee. ***Departmental feedback is required for petitions involving a professor complaint.***
- Any other relevant documentation of hardship. If personal letters are included, they must be signed and notarized.

A separate form and packet must be completed for each semester being petitioned. Please be sure all form(s) and supporting documentation are legible upon submission. Petition packets **should not exceed 8 pages total**, not including instructor feedback. If you need assistance filling out this form, please contact the Counseling Center in R-227.

Petitions may be submitted via email to petitions@sfcollge.edu from your official SF email (____@go.sfcollge.edu).

Due to privacy and confidentiality guidelines, petition decisions will only be released through the college's official notification system. The Office for Finance and Financial Aid Office must review the refund prior to any disbursement. Please allow at least 4 to 6 weeks to receive a refund, if applicable.
