

Santa Fe College Academy of Science and Technology

Hello SF Saints!

The Academy welcomes everyone back from their Winter Break.

The 1st semester concludes on Monday, January 13th and the 2nd semester commences on Tuesday, January 14th. The new semester will result in some students having a change in the scheduled courses. All Academy students will receive a paper copy of their schedule next week.

Please express to your students the importance of completing the 1st semester in a positive manner. 1st semester grades (S1) determine whether your student earned their first half credit (0.5) for their enrolled courses.

Sincerely,
William McElroy, Principal
